

To add or edit Medical Types, click on your username at the top-right of the screen (1) and then click Settings (2):

 If "Settings" is not visible in your menu, contact your system administrator to request access.

On the left-hand side of the screen, you will see Medical Types (1), click on Medical Types:

Add or Edit Medical Types

The screenshot shows the Gearbox Business Settings interface. The left sidebar contains various settings categories, with 'Medical Types' highlighted in a red box and a red circle containing the number 1. The main content area displays the following sections:

- Business Information:** Business Name: Easy 2 Use Transport; Address1: Suite 2; Address2: 05 Peter Brock Drive; City: Oran Park Town; State: NSW; Postcode: 2570; ABN: 16 131 841 840.
- Gearbox Options:** Maintenance (Gearbox), Employee, Compliance, Parts & Inventory, Documents, Prestart App, API.
- Subscription Status:** Active, Active, Active, Active, Active, Coming Soon.
- System Parameters:** A table with columns Key, Value, and Description.

Key	Value	Description
DISPLAY_FUEL_TIMESTAMP	TRUE	Displays fuel records datetime
DISPLAY_REPAIR_PARTS	FALSE	Displays the parts selected in a service on a Repairs JobCard
DISPLAY_SERVICE_ALIAS	TRUE	Displays the Service Alias on a Service JobCard
DISPLAY_SERVICE_PARTS	TRUE	Displays the parts selected in a service on a Service JobCard

From this screen you can Add New Type (1) of Medical, delete (2) an existing Medical Type and modify an existing tag (3) by clicking the field:

The screenshot shows the Gearbox Medical Types page. The 'Add New Type' button is highlighted in a green box and a red circle containing the number 1. The table below shows existing Medical Types with 'Delete' buttons. A red circle containing the number 2 is next to the 'Delete' button for the first row, and a red circle containing the number 3 is next to the 'BFM' field in the first row.

Medical Type	Action
BFM	Delete
Standard	Delete
Employment	Delete

Once you have clicked Add New Type you will be taken to a new screen where you can enter the Medical Type (1). Once you have entered your Training Type, click Save (2):
