## Adding Mass / Maintenance Accredited Assets

Click the **Compliance** (1) link from the dropdown and click **Accredited Vehicles** (2):

The screenshot shows the top navigation bar with a dark blue background. The 'Compliance' menu item is highlighted with a red box and a red circle containing the number '1'. A dropdown menu is open, listing several options: Dashboard, Accredited Vehicles (highlighted with a red box and a red circle containing the number '2'), Book Register, Load Sheets, Inspections, Mass Verifications, Contractors, Permits, Non Conformances, Reviews, and Reminders. Below the navigation bar, there is a green notification banner that says 'Vehicle updated successfully.' The main content area is titled 'Current Assets' and features a search bar for 'All Groups' and 'All Types'. There are several cards: a green 'Add New' button, a card showing '23' with a truck icon, a card showing '8' with a calendar icon and 'Registration Due', and a card showing 'Non Regis' with a truck icon. Below these are 'CSV' and 'Print' buttons. A table is partially visible with columns for 'Type', 'Fleet #', and 'Make / Model / Type'. The first row shows a red car icon, 'Tesla', and 'Tesla S'.

The asset from the previous steps will appear in the table.

The screenshot shows the 'Accredited Vehicles' page. At the top, there are search filters for 'All Groups' and 'All SubGroups'. Below these are five colored cards representing different accreditation types: 'Current Accredited' (41), 'Maint Accredited' (37), 'Mass Accredited' (19), 'Self Accredited' (11), and 'Reports'. There are 'CSV' and 'Print' buttons and a search bar with 'tesla' entered. The table below has columns: Registration, Fleet #, Make / VIN, GCM, GVM, Entry, Exit, Entry, Exit, Label #, and Powered. The first row shows 'DSA654', 'Tesla', 'Tesla', empty cells for GCM and GVM, '12/10/2018' for Entry, empty for Exit, '12/10/2018' for Entry, empty for Exit, 'ABC123' for Label #, and empty for Powered. At the bottom, it says 'Showing 1 to 1 of 1 entries (filtered from 41 total entries)' and has pagination controls: 'First', 'Previous', '1', 'Next', 'Last'.
