

Maintenance Calendar

Gearbox provides a number of dashboards under the [Maintenance Module](#), one of them being the Maintenance Calendar. This is not necessarily a dashboard, however a redirect to the Services Schedule page. The Service Schedule is a calendar view where you can organise and arrange open Services, Repairs, Tyres, Vehicle Reminders, and Inspections on or across multiple dates and times.

Maintenance Calendar

The Maintenance Calendar dashboard is one of many [Maintenance Dashboards](#) that Gearbox contains to provide better visibility when managing your fleet. If you have any queries or require any assistance with Gearbox please contact our [Support Team](#).
