*My Assigned Work Orders Dashboard*

## All Open Work Orders

This dashboard provides an overview of all open Services, Repairs, Tyres, and Inspection work orders. For further information on this dashboard [click here](#).

All Open Work Orders dashboard

### Starred Notes

This dashboard provides Gearbox users and overview on all Service, Repair, and Tyre work orders that contain a Starred Note. For further information on this dashboard [click here](#).

The screenshot displays the Gearbox Transport dashboard with a sidebar on the left containing navigation options: Dashboard, Vehicles, Services, Repairs, Tyres, Fuel, Prestarts, Odometer, Reminders, and Other. The main content area is titled 'Gearbox Transport' and features three sections for 'Starred Notes':

- Starred Service Notes (1):** A table with columns for Service #, Vehicle, Date Open, Comment, User, and Star/Unstar. One entry is shown for Service # S-19, Vehicle PM01 (VIC001), dated 24/08/2020, with the comment 'Waiting for Mechanic to email jobcard.' and user Gabriel Puglia.
- Starred Repair Notes (1):** A table with columns for Repair #, Vehicle, Date Reported, Comment, User, and Star/Unstar. One entry is shown for Repair # R-5, Vehicle TIPP1 (NSW001), dated 24/08/2020, with the comment 'Waiting for stock from Supplier.' and user Gabriel Puglia.
- Starred Tyre Notes (1):** A table with columns for Tyre #, Vehicle, Date Reported, Comment, User, and Star/Unstar. One entry is shown for Tyre # T-3, Vehicle TIPP1 (NSW001), dated 24/08/2020, with the comment 'Waiting for stock from Supplier.' and user Gabriel Puglia.

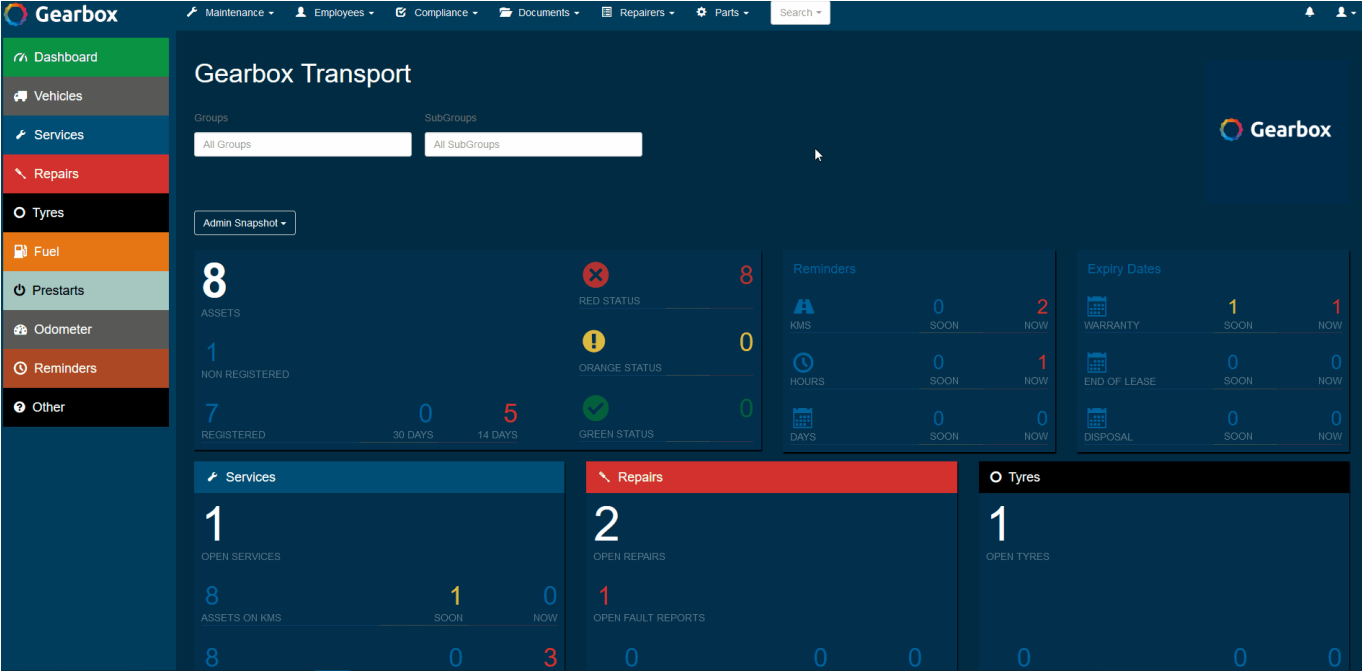

Each table includes a search bar, CSV and Print options, and pagination controls (First, Previous, 1, Next, Last).
